

PARK NAMING CONTEST

The City of Edmonds is conducting a naming contest for our newest park at the Old Milltown site, 5th Ave South and Maple. We encourage Edmonds' residents to put on their thinking caps and help name this park!

Names submitted may provide identity in relation to the following naming guidelines:

- The geographic location of the site; this includes descriptive names.
- An adjoining neighborhood or street, natural feature or an outstanding feature of the site.
- No site shall be given the same name of an existing school site or public facility, except where the sites abut one another.
- A commonly recognized historical event, group, organization or individual (living or deceased).
- Outstanding accomplishments by an individual for the good of the community. Quality of the contribution should be considered along with the length of service by the individual – this to be fully substantiated by person making recommendation.
